TERMS AND CONDITIONS OF SALE

DURING THE PAST SEASON WE SHIPPED OUR LINING OUT STOCK TO ALL PARTS OF THE UNITED STATES AND HAVE RECEIVED MANY COMPLIMENTS UPON THE QUALITY OF OUR PLANTS AND THE CAREFUL METHODS BY WHICH THEY WERE PACKED AND HANDLED.

TERMS:

Cash must accompany order unless a satisfactory credit rating has been established with us. If cash accompanies order a 5% cash discount is allowed. We make no charges for packing, boxes, etc.

C. O. D. orders will only be shipped when one-third of amount of order is remitted in advance and the balance goes forward Freight or Express C. O. D., payable at destination. C. O. D. orders are subject to 5% cash discount.

RESERVE ORDERS:

A deposit of one-third the amount of order should accompany orders for future shipment.

LIABILITY:

We disclaim liability for filling orders should any injury befall the stock from frost, drought, or other cause beyond our control.

GUARANTEE:

We guarantee all stock to be in good condition when it leaves our nursery but assume no responsibility for damage done in transit or after stock has reached consignee. Should there be any cause for complaint we must be notified upon receipt of goods, otherwise we cannot entertain it.

INSPECTION AND FUMIGATION:

Certificate of inspection will be furnished with every shipment and, when required, stock will be fumigated.

TRANSPORTATION:

Express is the best mode of shipment for lining out stock, although small quantities may be shipped by parcel-post. Unless given instructions, we use our judgment in selecting method of shipment, but in no case will we assume responsibility for safe-delivery of goods.

RATES:

Five plants of same variety and size at 10 rate; 50 plants of same variety and size at 100 rate; 500 plants of same variety and size at 1000 rate. Where less than 50 plants of a kind in lining size is ordered the price will be 20% over the 100 rate.

	Per 100	Per 1000
Abelia grandiflora.		
This much grown plant is increasing in popularity each season. We offer well grown stock from pots. 2¼-inch pots -----		
	\$6.00	\$50.00
Berberis Atrocarpa (B. sargentiana).		
This attractive evergreen barberry is among the best of the species for the South. It is much branched and an upright grower, from five to eight feet tall, with thick, dark evergreen leaves, yellow flowers and black fruits.		
2¼-inch pots -----	12.00	100.00
3 -inch pots -----	17.50	150.00
4 -inch pots -----	35.00	325.00
Berberis julianae.		
Probably the best and hardiest of the evergreen barberries. Of dense, upright growth. 2¼-inch pots-----		
	25.00	
Berberis pruinosa.		
A vigorous growing variety with distinct foliage, and an abundant bearer of berries. 2¼-inch pots----		
	25.00	
Berberis soulieana.		
A nice variety with narrow, spiny leaves. 2¼-inch pots-----		
	25.00	
Berberis subcaulialata.		
A lovely semi-evergreen variety with small glaucous leaves. The abundantly produced berries are a pleasing shade of coral-pink. 2¼-inch pots -----		
	25.00	
Berberis wilsonae.		
A splendid plant, with freely produced red berries. 2¼-inch pots----		
	15.00	
Chamaecyparis Sq. veitchi.		
Foliage blue-gray, feathery and dense. Gives a pleasant contrast to the usual evergreen planting.		
2¼-inch pots -----	8.00	75.00
3 -inch pots -----	10.00	90.00
Cupressus semp. roylei.		
We offer a few cutting grown plants of this popular plant. Of tall, narrow, compact and columnar growth. Dark green. 2¼-inch pots		
	10.00	
Cotoneaster horizontalis.		
Low spreading shrub with bright red fruit. 2¼-inch pots-----		
	12.00	100.00

WHOLESALE PRICE LIST

	Per 100	Per 1000
Cotoneaster divaricata.		
Upright shrub to six feet. Very handsome when studded with its bright red fruit, which is produced in amazing profusion. 2¼-inch pots	12.00	100.00
Cotoneaster franchetti.		
A spreading, fast growing variety with upright arching branches, medium sized leaves, dark green on top, silvery beneath. Many orange-red berries are scattered over the plants during Winter. 2¼-inch pots-----	12.00	100.00
Cotoneaster pannosa.		
Probably the best and most desirable of the Cotoneasters for the South. The foliage is a soft gray-green, and the under sides of the leaves have a silvery color. White flowers in Spring are followed by great masses of dull silvery red berries, which persist all Winter. A fast grower of a pleasing and graceful habit. 2¼-inch pots-----	12.00	100.00
Cotoneaster rugosa henryi.		
A new introduction from China, producing bright green leaves, which are distinctly veined. In autumn rich crimson orange berries are freely produced in clusters. 2¼-inch pots--	25.00	
Cotoneaster salicifolia.		
An attractive variety with narrow leathery foliage. The bright red fruits are freely produced. 2¼-inch pots--	15.00	
Cotoneaster salicifolia floccosa.		
A broader leaved variety of the above. 2¼-inch pots-----	15.00	
Eleagnus pungens.		
We offer a desirable, broad-leaved type of this plant. Nice for mass plantings. 2¼-inch pots-----	8.00	75.00
Euonymus radicans acuta.		
A graceful variety with long, narrow leaves, white veins, purplish underneath. Good for covering low walls and for underplantings. 2¼-inch pots -----	\$6.00	\$50.00
Euonymus radicans colorata.		
Similar to E. acuta but the leaves turn a beautiful bronzy-red in Winter. 2¼-inch pots-----	8.00	75.00

ALCOVA NURSERIES

	Per 100	Per 1000
Euonymus radicans minima.		
A nice variety for rockeries and edging work. The tiny leaves are finely penciled. 2¼-inch pots-----	6.00	
Hedera helix (English Ivy).		
We offer strong plants. 2¼-inch pots -----	8.00	
Hedera gracilis (Small-leaved English Ivy).		
2¼-inch pots -----	8.00	
Hypericum calycinum.		
A nice low-growing variety with glaucous foliage and large flowers. 2¼-inch pots -----	8.00	
Hypericum moserianum.		
The well known St. John's Wort. 2¼-inch pots -----	8.00	75.00
Hypericum hookeri.		
Of open, wiry habit, fine foliage, and large flowers of wax-like texture. 2¼-inch pots -----	8.00	
Ilex cornuta.		
A slow growing Chinese species. The leaves are of peculiar rectangular form. The large red berries are showy but not usually abundant. 2¼-inch pots -----	15.00	
Jasminum giraldi.		
A nice variety of the yellow flowered jasminums, which is allied to J. humile. 2¼-inch pots -----	8.00	
Juniperus chin. pfitzeriana.		
The most dependable variety of all the spreading type junipers. Retains its bright green color throughout the year. We offer some nice pot grown stock. 2¼-inch pots -----	15.00	
Juniperus excelsa stricta (spiny Greek juniper).		
A well known dwarf juniper, with silver-green scalelike foliage. 2¼-inch pots -----	12.00	
Ligustrum luc. compacta.		
A compact type, with large glossy leaves. Commonly known as the "wax-leaf." 2¼-inch pots-----	6.00	50.00
Ligustrum delavayanum.		
A new Chinese species of excellent habit. Has proven evergreen with us for two seasons. The small leaves		

WHOLESALE PRICE LIST

	Per 100	Per 1000
should make this and the following variety welcome additions to our larger leaved Ligustrums. 2¼-inch pots -----	12.00	
Ligustrum ionandrum.		
Similar to the above, but with smaller, glossier leaves, and of slower growth. 2¼-inch pots -----	12.00	
Ligustrum henryi.		
A vigorous plant with small, sharp-pointed glistening leaves. Of compact habit, this species is sure to become popular. 2¼-inch pots-----	8.00	
Lonicera nitida.		
One of the most charming of the recently introduced shrubs. It grows from three to six feet tall, is of twiggy and ascending habit. Clothed with small glossy green leaves; the small yellowish flowers are small but fragrant. 2¼-inch pots-----	8.00	75.00
Lorapetalum chinensis.		
A handsome, much branched shrub with small dull green leaves. The white or yellowish flowers are borne in feather-like clusters. 2¼-inch pots -----	10.00	
Magnolia fuscata (Banana shrub).		
This beautiful evergreen shrub produces yellowish-white flowers of a delightful banana-like fragrance. While not hardy north it makes a delightful conservatory shrub. 2¼-inch pots -----	15.00	
Nandina domestica.		
We offer a broad-leaved type which produces large clusters of berries in abundance. 2¼-inch pots-----	8.00	75.00
Osmanthus aquifolium (<i>O. ilicifolia</i>).		
A nice evergreen plant for partial shade. The spiny-toothed, glossy green leaves, resemble the English holly. 2¼-inch pots -----	20.00	
Osmanthus fragrans (<i>Olea fragrans</i>).		
A well known Southern evergreen with creamy-white flowers of a delightful fragrance. Nice for conservatories, North. 2¼-inch pots---	20.00	
Osmanthus fortunei.		
Similar to <i>O. aquifolium</i> , but with larger gray-green leaves. The white		

ALCOVA NURSERIES

	Per 100	Per 1000
flowers are very fragrant. 2¼-inch pots -----	20.00	
Photinia serrulata.		
We are propagating this plant from cuttings, which we believe is a great improvement over seedlings. The large, leathery leaves are finely toothed. The young growth is brown- ish-red. 2¼-inch pots-----	12.00	100.00
Pyracantha formosana.		
Compact, fast growing variety with small, holly-like leaves, and red ber- ries. 2¼-inch pots -----	10.00	
Pyracantha gibbsi.		
An attractive, large leaf Chinese species bearing orange-red berries. 2¼-inch pots -----	10.00	
Pyracantha gloriosa.		
Of low, spreading habit; leaves similar to box-wood, orange berries. 2¼-inch pots -----	10.00	
Pyracantha lalandi.		
Of upright habit, this variety pro- duces quantities of orange berries---	10.00	90.00
Pyracantha yunnanensis.		
This is probably the best of the Pyracanthas, since it is not suscept- ible to scale. Of spreading habit, with comparatively large leaves and coral-red berries borne in profusion. This is truly a "burning bush" when fruited. 2¼inch pots -----	10.00	90.00
Raphiolepis indica.		
A valuable evergreen shrub, thick, heavy leaves. Pinkish white flowers being followed by clusters of black berries. Very attractive. Small pot grown plants withstood our severe Dinter of 1927-28 without injury. 2¼-inch pots -----	10.00	
Raphiolepis ovata.		
A nice broad-leaved evergreen, thick leaves, and bush is very com- pact. White flowers in clusters fol- lowed by purplish black berries. 2¼-inch pots -----	10.00	
Viburnum tinus.		
One of the handsomest of the flow- ering, evergreen shrubs. The flowers are cream-white and fragrant. Not reliably hardy except in Southern		

WHOLESALE PRICE LIST

	Per 100	Per 1000
portion of Alabama, Georgia, etc.		
2¼-inch pots -----	6.00	

Viburnum suspensum.

A compact shrub, with dark green leaves and cream-white flowers. 3-inch pots ----- 10.00

All stock offered is cutting-grown except *Nandina domestica* and *Rahpialepis* varieties. All stock offered is well grown and strong 2¼-inch stock except where noted. Most varieties will average 6 inches or better in height and none are under four inches.

FIELD GROWN STOCK

In offering the following plants we do so with the assurance that you will be well pleased with their quality. They are given plenty of room for proper development and are heavy, stocky plants. We make no charges for boxing and packing at the following prices. A trial order will convince you of the good values we are giving.
